

Advance Course in Artificial Intelligence and Machine Learning

Course Application Help Guide

Please follow the process below mentioned, for course application.

1. Register yourself on [<https://campus.unipune.ac.in/ccep/login.aspx>]

The screenshot shows the 'CAMPUS COMMON ENTRANCE PLATFORM (CCEP)' login page. On the left is a dark sidebar with navigation links: Main Page, Login, Registration, Forgot Password, Passing Standards, and Department Contact Details. The main content area is divided into three columns. The first column is the 'Login' form, which includes fields for 'User ID' (with a placeholder 'Email ID'), 'Password', and a 'Show Password' checkbox. Below these is a 'Captcha' field displaying the number '256811' and a 'Login' button. The second column is 'Recent Updates', listing several announcements with 'Click here to View' links. The third column is 'Entrance Application Forms Updates for Academic Year 2024-2025', listing various application forms with 'Click here to View' links. At the bottom of the page, there is a footer with the university's name and a copyright notice.

2. Select your Nationality and fill in Email id

The screenshot shows the 'Registration' page on the CCEP platform. The sidebar on the left is the same as in the previous screenshot. The main content area features a 'Registration Process - View User Manual' section with a 'New' badge. Below this is a 'Register Yourself' section with a 'Select Student' field containing radio buttons for 'Indian' (selected) and 'Foreigner'. There is also a '* EmailID as Username' field with a placeholder 'Email ID'. The footer at the bottom contains the copyright notice and the logo of the SPPU Edutech Foundation.

3. Verify your email address

The screenshot shows the registration interface for Savitribai Phule Pune University. The header includes the university logo, the title 'Registration', and a 'FAQ' link. A dark sidebar on the left contains navigation options: 'Main Page', 'Login', 'Registration', 'Forgot Password', 'Passing Standards', and 'Department Contact Details'. The main content area features a 'Registration Process - View User Manual' link with a 'New' badge. Below this is a 'Register Yourself' section with a 'Select Student' dropdown set to 'Indian'. A message states: '* EmailID as Username amitnagarkar10@gmail.com is Valid Email Address'. A text input field contains 'amitnagarkar10@gmail.com' and a 'Verify EmailID' button is positioned below it. The footer contains the copyright notice 'Copyright © 2024 Savitribai Phule Pune University. All rights reserved.' and the design credit 'Designed by: SPPU Edutech Foundation'.

4. Enter your mobile number and verify with OTP

This screenshot shows the next step in the registration process. The layout is identical to the previous one, but the 'Email ID is verified successfully...!!' message is displayed. The 'Email ID' input field is now disabled and contains 'amitnagarkar10@gmail.com'. A new 'Mobile Number' input field is present, with a 'Verify Mobile Number' button below it. The footer and design credit remain the same as in the previous screenshot.

5. Set your password

*** Password (Maximum Password Length 16 letters.)**

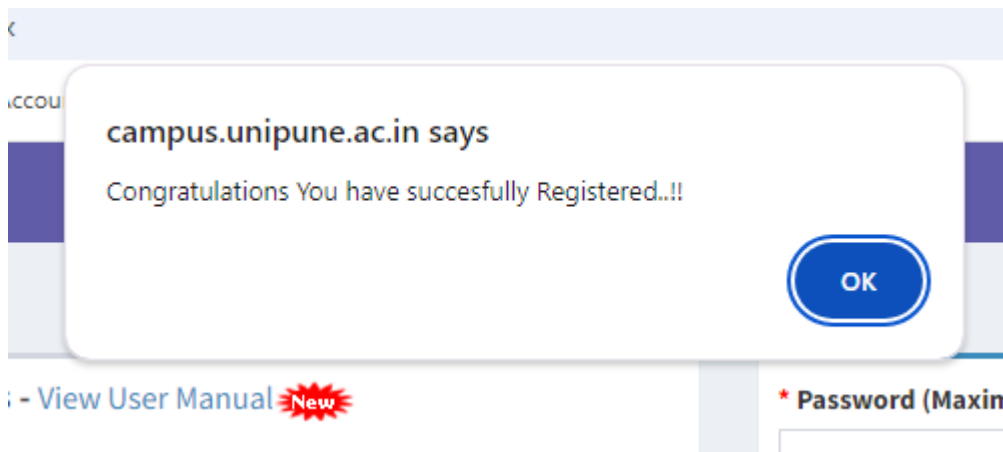

Note : Password must be within 8 to 16 characters , Password must contain one special character ! @ # \$ % ,

*** Confirm Password**

***Enter Below Code**

***Captcha** 750149  Captcha is case sensitive

6. You will receive confirmation Pop-up after you submit the form

7. Important: - Submit your User Id with the Admission Team, so that they can enable the course application to your user.

8. Fill in your details and enter captcha at the end

9. After successfully logged in to your account you can see the course application link at the bottom.

2.1. Department administration should verify the documents of the students before confirming the admission. This year all the document verification should be done in online mode only. Students may not be asked to come personally for the verification of the documents.

2.2. After successfully verifying All Eligibility Criteria and required Documents by department, Department will Approve Admission Application.

2.3. If there is any discrepancy in Online Submission and Physical verification or Students fail to complete eligibility criteria at the time of verification, his admission application will be rejected.

3. Payment of Fees & Confirmation :

3.1. Student whose Application is Approved by department will have "Pay/Print(Admission Challan)" link will be available in the "Admission Details" under Menu.

3.2. Student will have to pay the fees online using Debit Card/Credit Card/Net banking

3.3. After paying fees online, you can download the Payment Receipt.

| Remove | Application ID | Name of Department Course Name | Status (Entrance) | Print Receipt (Entrance) | Update Application Info | Hall Ticket (Entrance) | Apply For Admission |
|--------|----------------|--|--|--------------------------|-------------------------|------------------------|-----------------------|
| | 241000125 | Department of Technology Advanced Course in AI-ML - (Artificial Intelligence and Machine Learning) | -- (* if your application is under waiting list, Admission will be granted only on the basis of vacancy available with the department) | | | | Apply |

For Technical queries mail us from your registered e-Mail address at - CSPSupport@pun.unipune.ac.in OR call us at 020-71533899
